

Beiben 8x4 Dump Truck – High-Capacity 380HP Tipper

Specifications :

Price	Contact us
Brand Name	Topkit
Model Number	Beiben 8x4 Dump Truck
Place of Origin	China
Min.Order Quantity	1
Payment Terms	OEM?ODM?OBM
Supply Ability	100
Delivery Detail	3-7days

Detail Introduction :

Designed for large-scale hauling, the Beiben 8x4 Dump Truck boasts a powerful 380HP engine and an 8x4 drive configuration, providing exceptional load capacity and stability. Its expansive cargo bed is perfect for transporting substantial volumes of materials in construction, mining, and industrial applications.

The robust chassis and suspension system are engineered to handle heavy loads with ease, ensuring durability and reliability. The modern cabin is equipped with advanced features to enhance driver comfort and safety during extended operations.

Product Specifications

Specification	Details
Engine Power	380HP (Optimized for high-load applications)
Drive Type	8x4 (Maximum load capacity and stability)
Cargo Capacity	40-50 Tons
Gross Vehicle Weight	42,000 - 50,000 kg
Transmission	Heavy-duty manual / Automatic transmission
Cabin Features	Spacious, well-equipped for long hauls
Fuel Tank Capacity	400-500L
Suspension System	Multi-leaf spring for durability
Braking System	Full air brake with ABS and emergency system
Emission Standard	Euro 4 / Euro 5

Applications & Key Features

Applications	Key Features
- Large-scale mining and heavy material transport	- High load capacity of 40-50 tons
- Commercial construction projects	- Optimized transmission for efficient hauling
- Port and industrial material handling	- Durable and heavy-duty frame
	- Large fuel tank for long-distance operations

For projects that demand high efficiency and large payloads, the Beiben 8x4 Dump Truck is the optimal choice.
